**4. RENT DETAILS:**

**A. Time of Payment:**

(1) Time is of the essence for the payment of rent (strict compliance with rental due dates is required). Weekends, holidays, and mail delays do not excuse Tenant's obligation to timely pay rent. Tenant must pay all rent timely and without demand, deduction, or offset, except as permitted by law or this lease.

(2) Monthly rent: Tenant will pay the monthly rent so that Landlord receives the monthly rent on or before (check only one box):

(1) the first day of each month during this lease.

(2) \_\_\_\_\_

**B. Place of Payment:** Unless this lease provides otherwise, Tenant will remit all amounts due to Landlord under this lease to the following person or entity at the place stated and make all payments payable to the named person or entity. Landlord may later designate, in writing, another person or place to which Tenant must remit amounts due under this lease.

Name: \_\_\_\_\_

Place: \_\_\_\_\_

**Notice: Place the Property address and Tenant's name on all payments.**

**C. Method of Payment:**

(1) Landlord  requires  does not require Tenant(s) to pay monthly rents by one payment.

(2) Unless the Parties agree otherwise, Tenant may not pay rent in cash and will pay all rent and other fees by (select one or more):  cashier's check  electronic payment  money order  personal check or  other means acceptable to Landlord.

(3) Landlord  may or  may not charge a reasonable fee to process or accept payment by (select one or more only if Landlord indicates a reasonable fee may be charged):  cashier's check  electronic payment  money order  personal check or  other means acceptable to Landlord.

(4) If Tenant fails to timely pay any amounts due under this lease or if any check of Tenant is not honored by the institution on which it was drawn, Landlord may require Tenant to pay such amount and any subsequent amounts under this lease in certified funds. This paragraph does not limit Landlord from seeking other remedies under this lease for Tenant's failure to make timely payments with good funds.

**D. Rent Increases:** There will be no rent increases through the Primary Term. Landlord may increase the rent that will be paid during any month-to-month renewal period by providing at least 30 days written notice to Tenant.

**E. Late Fees:** If Landlord does not actually receive a rent payment in the full amount at the designated place of payment by the 3rd day of each month at 11:59pm, Tenant will pay Landlord for each late payment: **Notice: §92.019, Texas Property Code prohibits assessing a late fee until rent has remained unpaid for at least two full days after the date on which the rent is due.**

(1) an initial late charge equal to (check one box only):  (a) \$ **40.00** ; or  (b) \_\_\_\_\_ % of one month's rent; **and**

(2) additional late charges of (check one box only):  (a) \$ **10.00** ; or  (b) \_\_\_\_\_ % of one month's rent per day thereafter until rent and late charges are paid in full. Additional late charges for any one payment may not exceed more than 30 days.

(3) LATE PAYMENT DETAILS: For the purposes of paying rent and any late charges, the mailbox is not the agent for receipt for Landlord (the postmark date is not the date Landlord receives the payment). The parties agree that the late charge is reasonable based on uncertain damages to the Landlord related to the late payment of rent, including direct or indirect expenses, direct or indirect costs, or overhead associated with the collection of late payment. Landlord's acceptance of a late payment does not waive Landlord's right to exercise remedies under Paragraph 24.

F. Returned Payment: Tenant will pay Landlord \$30.00 for each payment Tenant tenders to Landlord which is returned or not honored by the institution on which it is drawn for any reason, plus any late charges until Landlord receives payment. Tenant must make any returned payment good by paying such amount(s) plus any associated charges in a form satisfactory to landlord.

G. Application of Funds: Regardless of any notation on a payment, Landlord may apply funds received from Tenant first to any non-rent obligations of Tenant, including but not limited to, late charges, returned payment charges, repairs, brokerage fees, periodic utilities, animal charges, and then to rent.

H. Delay of Occupancy: Tenant must occupy the Property within 5 days after the Commencement Date. If Tenant is unable to occupy the Property by the 5th day after the Commencement Date because of construction on the Property or a prior tenant's holding over of the Property, Tenant may terminate this lease by giving written notice to Landlord before the Property becomes available to be occupied by Tenant, and Landlord will refund to Tenant the security deposit and any rent paid. Landlord will abate rent on a daily basis for a delay caused by construction or a prior tenant's holding over. This paragraph does not apply to any delay in occupancy caused by cleaning, repairs, or make-ready items.

**5. AUTOMATIC RENEWAL AND NOTICE OF TERMINATION:** Time is of the essence for providing notice of termination. If a box is not checked under Paragraph 5A, Paragraph 5A(1) will apply. If a box is not checked under Paragraph 5B, Paragraph 5B(1) will apply.

A. This lease automatically renews on a month-to-month basis unless Landlord or Tenant provides the other party written notice of termination not less than: *(Check only one box.)*

- (1) 30 days before the Expiration Date.
- (2) \_\_\_\_\_ days before the Expiration Date.

If Landlord or Tenant fails to provide the other party timely written notice of termination as required by Paragraph 5A, the lease automatically renews on a month-to-month basis. The Landlord or Tenant then must provide a subsequent written notice of termination as required by Paragraph 5B.

B. If this lease automatically renews on a month-to-month basis, it will continue to renew on a month-to-month basis until either party provides written notice of termination to the other party and the notice of termination will be effective: *(Check only one box.)*

- (1) on the last day of the month following the month in which the notice is given. Landlord is not obligated to prorate rent even if Tenant surrenders the Property before the termination date.
- (2) on the date designated in the notice but not sooner than 30 days after the notice is given and, if necessary, rent will be prorated on a daily basis.

**6. ANIMALS:**

A. Unless the parties agree otherwise in writing, Tenant may not permit, even temporarily, any animal on the Property (including but not limited to any mammal, reptile, bird, fish, rodent, or insect). An assistance animal is required to be reported to the Landlord with accompanying documentation as required by the Texas Department of Housing and Community Affairs.

  - (3) remove or cause to be removed any unauthorized animal and deliver it to appropriate local authorities by providing at least 24-hour written notice to Tenant of Landlord's intention to remove the unauthorized animal; and
  - (4) charge to Tenant the Landlord's cost to:
    - (a) remove any unauthorized animal;
    - (b) exterminate the Property for fleas and other insects;
    - (c) clean and deodorize the Property's carpets and drapes; and
    - (d) repair any damage to the Property caused by the unauthorized animal.

- B. Withholding Last Month's Rent: Texas Property Code §92.108 provides that a tenant may not withhold payment of any portion of the last month's rent on grounds that the security deposit is security for unpaid rent. Bad faith violations may subject a tenant to liability up to 3 times the rent wrongfully withheld and the landlord's reasonable attorney's fees.
- C. Accounting and Refund: The Property Code does not obligate a landlord to return or account for the security deposit until the tenant surrenders the Property **and gives the landlord a written statement of the tenant's forwarding address, after which the landlord has 30 days in which to account.** ~~Any refund of the Security Deposit will be made payable to all Tenants named in this lease.~~
- D. Interest: No interest or income will be paid to Tenant on the Security Deposit. Landlord may place the Security Deposit in an interest-bearing or income-producing account and any interest or income earned will be paid to Landlord or Landlord's representative.
- E. Deductions:
- (1) Landlord may deduct reasonable charges from the Security Deposit, excluding \*normal wear and tear. *\*"Normal wear and tear" means deterioration that occurs without negligence, carelessness, accident, or abuse.*
  - (2) Reasonable charges may include, but are not limited: reasonable costs associated to repair the Property; costs for which Tenant is responsible to clean, deodorize, exterminate, and maintain the Property; unpaid or accelerated rent; unpaid late charges; unpaid utilities and utility expenses Landlord incurs to maintain utilities to the Property as required by this Lease; unpaid animal charges; replacing unreturned keys, garage door openers, security devices, or other components; the removal of unauthorized locks or fixtures installed by Tenant; Landlord's cost to access the Property if made inaccessible by Tenant; missing or burned-out light bulbs and fluorescent tubes (at the same location and of the same type and quality that are in the Property on the Commencement Date); packing, removing, and storing abandoned property; removing abandoned or illegally parked vehicles; costs of reletting (as described in Paragraph 24), if Tenant is in default; attorney's fees, costs of court, costs of service, and other reasonable costs incurred in any legal proceeding against Tenant; mailing costs associated with sending notices to Tenant for any violations of this lease; any other unpaid charges or fees or other items for which Tenant is responsible under this lease; cost to restore walls, flooring, landscaping or any alteration to the Property not approved in writing by Landlord; damages to the Property

A. Tenant will pay all connection fees, service fees, usage fees, and all other costs and fees for all utilities to the Property (for example, electricity, gas, water, wastewater, garbage, telephone, alarm monitoring systems, cable, and Internet connections) except the following which Landlord will pay: \_\_\_\_\_

Unless otherwise agreed, amounts under this Paragraph 8 are payable directly to the service providers.

B. Unless provided by Landlord, Tenant must, at a minimum, keep the following utilities on, if available, at all times this lease is in effect: gas; electricity; water; wastewater; and garbage services.

B. HOA Rules: This Property  is or  is not a part of an HOA. \_\_\_\_\_

*(Include the name of the HOA if there is one).* Tenant must comply with any owners' association rules or restrictive covenants affecting the Property. Tenant will reimburse Landlord for any fines or other charges assessed against Landlord for violations by Tenant of any owners' association rule or restrictive covenant, and any resulting administrative fees assessed by Landlord's agents or any other entity as provided by law.

C. Prohibitions: Unless otherwise authorized by this lease, Tenant may not install or permit any of the following on the Property, even temporarily: a spa, hot tub, above-ground pool, trampoline, or any item which causes a suspension or cancellation of insurance coverage or an increase in insurance premiums. Tenant may not permit any part of the Property to be used for: (1) any activity which is a nuisance, offensive, noisy, or dangerous; (2) the repair of any vehicle; (3) any business of any type, including but not limited to child care; (4) any activity which violates any zoning ordinance, owners' association rule, or restrictive covenant; (5) any illegal or unlawful activity, including but not limited to, the planting, growth, consumption, or distribution of cannabis plants or products; or (6) activity that obstructs, interferes with, or infringes on the rights of other persons near the Property. Tenant may not list any part of the Property on any lodging or short-term rental website or with any person or service that advertises Properties for rent.

D. Guests: Tenant may not permit any guest to stay on the Property longer than 7 consecutive days without Landlord's written permission or the amount of time permitted by any owners' association rule or restrictive covenant, whichever is less. No guests are permitted to stay on the Property more than twice the number of days in the blank above in any 30-day period. **10. PARKING RULES:** Tenant may not permit more than \_\_\_\_\_ vehicles, including but not limited to automobiles, trucks, recreational vehicles, trailers, motorcycles, all-terrain vehicles, jet skis, and boats, on the Property unless authorized by Landlord in writing. Tenant may not park or permit any person to park any vehicles in the yard. Tenant may permit vehicles to be parked only in drives, garages, designated common parking areas, or in the street if not prohibited by law or an owners' association. Tenant may not store or permit any person to store any vehicles on or adjacent to the Property or on the street in front of the Property. In accordance with applicable state and local laws, Landlord may have towed, at Tenant's expense: (a) any inoperative vehicle on or adjacent to the Property; (b) any vehicle parked in violation of this paragraph or any additional parking rules made part of this lease; or (c) any vehicle parked in violation of any law, local ordinance, or owners' association rule. Tenant must promptly inform Landlord of any changes in Tenant's vehicle information (type, year, make, model, and license plate number including state) not later than 5 days after a change.

**11. ACCESS BY LANDLORD:**

- A. **Advertising:** Landlord may prominently display a "For Sale" or "For Lease" or similarly worded sign on the Property during the term of this lease or any renewal period. Landlord or Landlord's contractor may take interior or exterior photographs or images of the Property and use the photographs or images in any advertisements to lease or sell the Property.
- B. **Access:** Before accessing the Property, Landlord or anyone authorized by Landlord will attempt to first contact Tenant, but may enter the Property at reasonable times without notice to make repairs or to show the Property to prospective tenants or buyers, inspectors, fire marshals, lenders, appraisers, or insurance agents. Additionally, Landlord or anyone authorized by Landlord may peacefully enter the Property at reasonable times without first attempting to contact Tenant and without notice to: (1) survey or review the Property's condition and take photographs to document the condition; (2) make emergency repairs; (3) exercise a contractual or statutory lien; (4) leave written notices; or (5) seize nonexempt property if Tenant is in default.

- D. **Keybox:** **A keybox is a locked container placed on the Property holding a key to the Property. The keybox is opened by a special combination, key, or programmed access device so that persons with the access device may enter the Property, even in Tenant's absence. The keybox is a convenience but involves risk (such as unauthorized entry, theft, property damage, or personal injury). Neither the Association of REALTORS® nor MLS requires the use of a keybox.**

**17. SMOKE ALARMS:** Subchapter F, Chapter 92, Texas Property Code, requires the Property to be equipped with smoke alarms in certain locations. Requests for additional installation, inspection, or repair of smoke alarms must be in writing. Disconnecting or intentionally damaging a smoke alarm or removing a battery without immediately replacing it with a working battery may subject Tenant to civil penalties and liability for damages and attorney fees under §92.2611, Texas Property Code.

**18. LIABILITY:** Unless caused by Landlord, Landlord is not responsible to Tenant, Tenant's guests, family, or Occupants for any damages, injuries, or losses to person or property caused by fire, flood, water leaks, ice, snow, hail, winds, explosion, smoke, interruption of utilities, theft, burglary, robbery, assault, vandalism, other persons, condition of the Property, environmental contaminants (for example, carbon monoxide, asbestos, radon, lead-based paint, mold, fungus, etc.), or other occurrences or casualty losses. Unless prohibited by law, Tenant will promptly reimburse Landlord for any damages, injuries, or losses to person or property caused by Tenant, Tenant's guests, any occupants, or any animals, including cost of repairs or service to the Property.

**19. HOLDOVER:** If Tenant fails to vacate the Property at the time this lease ends Tenant will pay Landlord rent for the holdover period and indemnify Landlord and prospective tenants for damages, including but not limited to lost rent, lodging expenses, costs of eviction, and attorneys' fees. Rent for any holdover period will be three (3) times the monthly rent, calculated on a daily basis, and will be immediately due and payable daily without notice or demand.

**20. RESIDENTIAL LANDLORD'S LIEN:** Landlord will have a lien for unpaid rent against all of Tenant's nonexempt personal property that is in the Property and may seize such nonexempt property if Tenant fails to pay rent. Subchapter C, Chapter 54, Texas Property Code governs the rights and obligations of the parties regarding Landlord's lien. Landlord may collect a charge for packing, removing, or storing property seized in addition to any other amounts Landlord is entitled to receive. Landlord may sell or dispose of any seized property in accordance with the provisions of §54.045, Texas Property Code.

**21. SUBORDINATION:** This lease and Tenant's leasehold interest are and will be subject, subordinate, and inferior to: (i) any lien or encumbrance now or later placed on the Property by Landlord; (ii) all advances made under any such lien or encumbrance; (iii) the interest payable on any such lien or encumbrance; (iv) any and all renewals and extensions of any such lien or encumbrance; (v) any restrictive covenant; and (vi) the rights of any owners' association affecting the Property. Under the Federal Protecting Tenants at Foreclosure Act (PTFA), generally, tenants of foreclosed properties have the right to remain in the property for at least 90 days after foreclosure and may have the right to stay longer. In order for any protection to apply, you must be a tenant in good standing, current on rent and any late fees. For more information on the provisions contained in the Protecting Tenants at Foreclosure Act you may visit <http://nlihc.org/library/foreclosure>.

**22. CASUALTY LOSS OR CONDEMNATION:** §92.054, Texas Property Code governs the rights and obligations of the parties regarding a casualty loss to the Property. Any proceeds, payment for damages, settlements, awards, or other sums paid because of a casualty loss to the Property will be Landlord's sole property. For the purpose of this lease, any condemnation of all or a part of the Property is a casualty loss.

**23. SPECIAL PROVISIONS:** *(Do not insert a lease-option or lease-purchase clause without the assistance of legal counsel. Special obligations and liabilities under statute apply to such transactions.)*

**24. DEFAULT:**

- A. If Landlord fails to comply with this lease, Tenant may seek any relief provided by law.
- B. If Tenant fails to timely pay all amounts due under this lease or otherwise fails to comply with this lease, Tenant will be in default and:

  - (2) all unpaid rents which are payable during the remainder of this lease or any renewal period will be accelerated without notice or demand;
  - (3) Landlord may exercise Landlord's lien under Paragraph 20 and any other rights under this lease or the Property Code;
  - (4) all unpaid amounts, including judgments, will bear 18% interest or the maximum amount allowed by law per year from the due date, compounded annually; and
  - (5) Tenant will be liable for:

    - (e) all Landlord's costs associated with collection of amounts due under this lease, including but not limited to collection fees, late charges, and returned check charges; and
    - (f) any other recovery to which Landlord may be entitled by law.
- C. Notice under Paragraph 24B(1) may be by any means permitted by §24.005, Texas Property Code.
- D. If Tenant vacates the Property in breach of this lease, Landlord may also deduct from the Security Deposit the reasonable costs to rekey certain security devices, as provided in Paragraph 16.
- E. Landlord will attempt to mitigate any damage or loss caused by Tenant's breach by attempting to relet the Property to acceptable tenants and reducing Tenant's liability accordingly.

**25. EARLY TERMINATION:** This lease begins on the Commencement Date and ends on the Expiration date unless: (i) renewed under Paragraph 5; (ii) extended by written agreement of the parties; or (iii) terminated earlier under Paragraph 24, by agreement of the parties (*see Early Termination of Residential Lease TXR 2012*), applicable law, or this Paragraph 25. (3) **Sex Offenses or Stalking:** Tenant may have special statutory rights to terminate this lease in certain situations involving certain sexual offenses or stalking, if the Tenant provides Landlord with the documentation required by §92.0161, Texas Property Code. For more information about the types of situations covered by this provision, Tenant is advised to review §92.0161, Texas Property Code.

B. **Replacement Tenants:**

(1) Tenant may not assign this lease or sublet the Property without Landlord's written consent.

(2) If Tenant requests an early termination of this lease under this Paragraph 24B, Tenant may attempt to find a replacement tenant and may request Landlord to do the same. Landlord may, but is not obligated to, attempt to find a replacement tenant under this paragraph.

(3) Any replacement tenant must, in Landlord's discretion, be acceptable as a tenant and must sign a new lease with terms not less favorable to Landlord than this Lease or otherwise acceptable to Landlord.

## Additional Special Provisions

The following provisions are hereby incorporated into and made a part of the Lease Agreement for the Property. These provisions supersede any conflicting provisions of the printed lease form and are in addition to any provisions outlined in Paragraph 23 of the Lease.

### Security Deposit Refund

Any refund of the security deposit will be distributed equally among all Tenants named in this Lease.

### Additional Keybox Authorization

In addition to the authorization set forth in Paragraph 11(d) of the Lease, Tenant authorizes Landlord, Landlord's property manager, and Landlord's broker to place on the Property a keybox containing a key to the Property at any time the Property is listed for lease with a Texas licensed broker.

### Class Action Waiver

Tenant agrees not to participate in any class, collective, or representative action or proceeding against Landlord or Landlord's representatives. Any claim must be brought solely in Tenant's individual capacity. Tenant expressly waives any right to bring, represent, join, or otherwise maintain a class action, collective action, or similar proceeding in any forum.

### Additional Fees

- (a) A one-time move-in administrative fee of \$75.00 per household is due on the Lease start date.
- (b) A one-time \$200.00 administrative fee will be charged if Tenant(s) and Owner execute a Lease Amendment to add or remove any tenant or guarantor from the original Lease terms. This fee is due on or before the date the Lease Amendment is executed.

### Information Regarding City of Lubbock Occupancy Ordinance

Tenant acknowledges that Location Rentals has informed them of a City of Lubbock ordinance which provides that in areas zoned for single-family residential use, no more than three (3) unrelated persons may live together in a dwelling. The City generally defines a "family" as one or more persons related by blood, adoption, or marriage, or not more than three (3) unrelated persons living and cooking together as a single housekeeping unit.

Tenant understands that this ordinance is adopted and enforced by the City of Lubbock and that the City states enforcement is complaint-based. If the City determines that occupancy of the Property violates this ordinance, the City may require the occupants to correct the violation, including reducing the number of occupants or vacating the premises.

Tenant agrees that enforcement of this ordinance by the City of Lubbock does not release Tenant from any obligations under the Lease Agreement. If Tenant is required to reduce occupancy or vacate the Property due to enforcement of this ordinance, Tenant remains responsible for all obligations under the Lease unless otherwise released in writing by Landlord.

Tenant further agrees to indemnify and hold harmless Owner, Location Rentals, and their agents from any claims, penalties, costs, damages, or expenses, including reasonable attorney's fees, arising from or related to enforcement of this ordinance.

For additional information regarding this ordinance please visit:

<https://ci.lubbock.tx.us/departments/code-administration/services>

## ADDENDUM REGARDING RENTAL FLOOD DISCLOSURE

USE OF THIS FORM BY PERSONS WHO ARE NOT MEMBERS OF THE TEXAS ASSOCIATION OF REALTORS®, INC. IS NOT AUTHORIZED.  
©Texas Association of REALTORS®, Inc. 2025.

### ADDENDUM TO RESIDENTIAL LEASE CONCERNING THE PROPERTY AT \_\_\_\_\_

**THIS ADDENDUM IS A DISCLOSURE OF LANDLORDS' KNOWLEDGE AS OF THE DATE SIGNED BY THE LANDLORD. IT IS NOT A WARRANTY OF ANY KIND NOR A PREDICTION OF FUTURE EVENTS BY LANDLORD, LANDLORD'S AGENTS, OR ANY OTHER AGENT.**

#### A. 100-YEAR FLOODPLAIN.

Landlord  is or  is not aware that the dwelling you are renting is located in a 100-year floodplain. If neither box is checked, you should assume the dwelling is in a 100-year floodplain. Even if the dwelling is not in a 100-year floodplain, the dwelling may still be susceptible to flooding. The Federal Emergency Management Agency (FEMA) maintains a flood map on its Internet website that is searchable by address, at no cost, to determine if a dwelling is located in a flood hazard area. Most tenant insurance policies do not cover damages or loss incurred in a flood. You should seek insurance coverage that would cover losses caused by a flood.

#### B. DAMAGE TO A DWELLING DUE TO FLOODING DURING THE LAST FIVE-YEAR PERIOD.

Landlord  is or  is not aware that the dwelling you are renting has flooded at least once within the last five years.

*\*For purposes of this notice:*

*"100-year floodplain" means any area of land designated as a flood hazard area with a one percent or greater chance of flooding each year by the Federal Emergency Management Agency under the National Flood Insurance Act of 1968 (42 U.S.C. Section 4001 et seq.). A landlord is not required to disclose on the notice that the landlord is aware that a dwelling is located in a 100-year floodplain if the elevation of the dwelling is raised above the 100-year floodplain flood levels in accordance with federal regulations.*

*"Flooding" means a general or temporary condition of partial or complete inundation of a dwelling caused by: (A) the overflow of inland or tidal waters; (B) the unusual and rapid accumulation of runoff or surface waters from any established water source such as a river, stream, or drainage ditch; or (C) excessive rainfall.*

The undersigned Tenant acknowledges receipt of the foregoing notice.

## Help! I have mold. (What is it?)

Mold is a type of fungus that is present everywhere in our natural environment. Mold spores, which are tiny microscopic 'seeds,' can be found anywhere, including inside homes, and are a part of the general dust found in homes. These spores can begin to grow on building materials and furnishings if they get wet or stay moist. If visible mold is allowed to grow unchecked, it will eventually damage what it is growing on, which may include both the building and personal belongings.

The key to preventing mold growth is preventing moisture problems by finding and stopping the source of moisture such as a plumbing or roof problem and then quickly fixing and drying any water leaks or spills that might occur. Common moisture problems include pipe leaks, roof leaks, floodwaters, sewage back-ups and over-flowing toilets/sinks/bathtubs.

Tenants should promptly notify their landlord when they find a moisture problem or mold growth. Any conversations should be followed up with a letter to the landlord to avoid misunderstandings. Sending such a letter by certified mail, return receipt requested, provides the best proof that it has been received. Keep a copy of the letter for future reference.

## What can TDLR do?

TDLR regulates professionals who provide mold assessment and remediation services in Texas to ensure that the public has access to mold assessors and remediators who are properly trained and licensed. TDLR does not have regulatory authority to require inspection or testing for moisture or mold in homes, apartments or other buildings and cannot require a landlord or someone else to clean or remove mold.

## Is mold testing necessary?

Generally, it's not necessary to identify the species of mold growing in a residence, and the Centers for Disease Control (CDC) does not recommend routine sampling for molds. It's more important to find the source of the moisture and eliminate it, otherwise the problem will return. When the moisture is eliminated, the mold will no longer grow and will die.

If you or your landlord choose to pay for testing before remediation work starts, the licensed mold assessment consultant who will do the assessment should establish criteria for interpreting the test results. When mold cleanup is necessary, the licensed mold assessment consultant will develop a protocol that the mold remediation contractor will follow. The protocol will specify the estimated quantities and locations of materials to be remediated, methods to be used and cleanup criteria that must be met.

The results of mold samples taken in your unique situation cannot be interpreted without physical inspection of the contaminated area or without considering the building's characteristics and the factors that led to the present condition.

TDLR recommends that people consult a health care provider if they are concerned about the effects of mold on their health.

## What can I do about the mold?

Tenants and landlords should try to work cooperatively to investigate and correct moisture problems and remove mold growth. If you can see mold or smell a musty odor, carefully inspect the home, paying special attention to hidden areas such as plumbing access areas, crawl spaces, behind mirrors and furniture, attics, closets and cupboards.

Mold growth should be cleaned from non-porous surfaces such as concrete, metal, glass, tile, and solid wood. Mold growth is difficult to clean from absorbent (porous) surfaces such as drywall, carpet, fleecy furnishings and insulation, so these kinds of moldy materials should be removed and discarded.

Merely applying a chemical such as bleach to drywall, without removing the mold source, is not a permanent effective solution. Painting over mold is also not an effective solution.

Personal belongings can be kept if there is no mold growth on them. These items may need a deep cleaning to remove mold particles (spores) that have settled in the fabric.

## Who can do this work?

TDLR licenses people and companies who inspect and test for mold in buildings (mold assessment), and those who clean and remove mold (mold remediation). Be sure to confirm that the professionals you're hiring are licensed by TDLR to perform this service.

In most instances, areas of visible mold less than 25 contiguous square feet in area may be cleaned or removed by people who are not licensed.

- Owners or managers of buildings with fewer than 10 dwelling units do not have to be licensed to perform mold assessment or mold remediation on a residential property. This exemption applies regardless of the total surface area within the residential property that is affected by mold growth.
- The remediation of 25 contiguous square feet or more of visible mold in residential properties with 10 or more units must be conducted by a licensed Mold Remediator. Small areas of mold growth (less than 25 contiguous square feet) can be cleaned/removed by an owner or by maintenance staff.

## My landlord won't do anything about the mold. Who can help me?

Mold issues are typically governed by the lease agreement and treated like other maintenance matters where you would submit a written request to your landlord or property owner. Current Texas law does not require landlords or property owners to inspect for or clean mold.

TDLR cannot advise you on legal issues such as paying rent, requesting to be moved to another unit, breaking your lease, or preventing an eviction. Tenants are encouraged to work with their landlords and property owners to come to mutual agreement about how to deal with a mold situation.

Here are some resources:

- A tenant can try to file a complaint with the local city or county health department. You can find listings of Local Health Departments in Texas at: <http://www.dshs.texas.gov/regions/lhds.shtm>.
- You could contact your City Building Official (Code Compliance). The building official may inspect the unit to determine if it is structurally sound. They may also, in some cases, enforce maintenance provisions of the building code.

## Mold prevention tips

- Use a towel or squeegee to dry off wet surfaces after bathing. Bathtub or showers corners and joints, including tile crevices, are more susceptible to mold growth, so be sure to dry off those surfaces.
- Keep humidity levels as low as you can — no higher than 50% — all day long. An air conditioner or dehumidifier will help you keep the level low.
- Use air conditioner or a dehumidifier during humid months.
- Clean bathroom with mold-killing products.
- Do not carpet bathrooms.
- Quickly clean up and dry any liquids that might get on carpets. (If carpets stay wet, notify the landlord).
- Ensure good air movement in your home: open windows when possible.
